Mr. L. K. White
Deputy Director
Central Intelligence Agency

Dear Mr. White:

Re: 25X1A9a
Piscataway Election District

25X1A9a

I acknowledge receipt of your letter of March 16 requesting that [REDACTED] be excused from jury service for the reasons set forth therein. The jurors are drawn by lot from a list of resident taxpayers and voters of Prince George's County. Most employers, and frequently jurors who have been regularly drawn, ask that I excuse the individual on the ground of the hardship involved in their employment. I would like to be able to grant all of these requests, but obviously this is impossible.

In the case of government employees I find that it would be most unfair to excuse them and not excuse either self-employed, or employees of small concerns. The federal government is the largest employer and can better make adjustments with reference to its personnel than any other employer where the employee is compelled to be absent because of death, sickness, or jury service.

25X1A9a

It is therefore with regret that I have to inform you that [REDACTED] can not be excused. So that you will please inform him, as does the summons served upon him, that he will be required to attend court at 10 A. M. on Monday, April 2, 1956.

Very truly yours,
